

**DLM**

DESIGN BY THOMAS BENTZEN

**HAY**

## DLM

Thomas Bentzen's portable side table is aptly named 'Don't Leave Me'. Abbreviated to DLM, it features a convenient handle that allows the metal table to be carried from room to room.

Although it has a lightweight and portable structure, the three slanted legs provide great stability. Available in two sizes, the DLM and DLM XL make functional alternatives to traditional coffee tables and can be used in most home or office environments.

Both sizes are made in powder coated steel and come in different colour options.

## THOMAS BENTZEN

Thomas Bentzen is a Danish designer who founded his own studio in Copenhagen in 2010. Previously, he was a partner at Studio Louise Campbell, where he worked for five years.

He is a board member of the Danish Cabinetmakers Autumn Exhibition (SE) and an occasional teacher at the Royal Danish Academy of Fine Arts, School of Design. Bentzen is a methodical designer, who seeks to create fine-tuned products that are both engaging and durable.

He works in the classic tradition of Scandinavian design – with a pragmatic, unassuming and universal outlook. Against this backdrop, he has shown a talent for creating designs that are imbued with a contemporary feel that spark a sense of joy too. For HAY, Bentzen has designed the DLM Table and Shade Bin.

## **SUSTAINABILITY**

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
