Flammability

The cold cure foam material has been tested to meet the following standards:

- British standard: 5852:2006 Part 2
- California Technical Bulletin: 117-2013

The flammability standard of the covering fabric is dependent on the choice made by the customer. Details of the flammability rating of specific fabrics can be found on supplier's websites.

Product Sustainability Statement

The Truffle Pouf is available in two sizes, but for the purpose of this document we have used data for version A.
